

# Japanese Rule of 7

## The Convenient and Stylish Wallet-sized Card

Forget months and years of Japanese language classes. With these seven points, you're prepared to handle all of the basic conversation you will ever have in Japan. Really, all of it, ever. Also great for use in your native country as a way to make friends with persons of other races.

### 外国人と会話するときのチェックリスト

### Checklist for People Who Don't Look Like Me

- Konnichiwa!
- You're not from around here, are you?
- Your English is great, considering.
- How long have you been in my country?
- Your name? OK, I'll just call you "Mr. Ahso."
- You're really good with that fork.
- Can you eat nachos?
